

MAYTECK

RH Logic 400

The RH Logic is a fully adjustable chair – the seat height, back height, seat slide, lumbar support, head rest height and depth can all be tailored to suit the user's specific needs.

Unique movement principle ensures optimum support and blood circulation during dynamic sitting.

With this chair customers also have the option of additional memory foam seat pads or coccyx cut out seat pads, giving users the benefit of an ergonomic 24-hour chair.

Includes 5-year warranty
